SUMMARY

Full-Stack Web Developer with 3+ years of experience building responsive, user-friendly web applications end-to-end, from database design and RESTful API development to polished, performant frontend interfaces. Proficient across React.js, Vue.js, Next.js, and Tailwind CSS on the frontend, and PHP with MySQL on the backend, with hands-on experience designing scalable database schemas and single-page application architectures. Passionate about learning, problem-solving, and delivering complete, seamless digital experiences through close collaboration with teams and stakeholders. Seeking internship, junior full-stack developer, collaboration or full-time opportunities to contribute and grow.

TECHNICAL SKILLS

- Languages: JavaScript, TypeScript, PHP, HTML, CSS
- Frontend: React.js, Vue.js, Next.js, Tailwind CSS
- Backend & Database: PHP, MySQL, Laravel, Express.js, RESTful API design & consumption, database design and management, MongoDB
- Other Technologies: WordPress, Git, GitHub, Vite
- Soft Skills: Problem Solver, Team Player, Good Communication, Fast Learner, Critical Thinker

WORK HISTORY

Frontend Developer — *Shortly, 2023*

- Built a fully responsive UI/UX for a link-shortener product, integrating and consuming RESTful APIs end-to-end.
- Understood API consumption and modification, and implemented UI animations optimized across all screen sizes and devices.
- Worked with Vue.js, JavaScript, and Tailwind CSS.

Frontend Developer — *Finaance, 2024*

- Developed a five-page admin dashboard for tracking bills and transactions, powered by RESTful API data.
- Built clean, componentized UI architecture using React.js for maintainability and reusability.
- Worked with React.js, JavaScript, and Tailwind CSS.

Full-stack Developer — *SchooLY, 2025/2026*

- Developed a scalable backend with PHP, including database design and management.
- Implemented a Single Page Application (SPA) style frontend to consume and display backend data seamlessly.
- Worked across the full stack with PHP, MySQL, and Tailwind CSS.

EDUCATION & CERTIFICATIONS

- B.Sc. - Computer Science - Lagos State University, 2027.
- Web Developer - Coursera, 2023.
